

The 3 Ostedt boys (Joseph, Henry Jr. and George) grew up and married Frieda, Rose and Mamie. All together, they produced only 4 grandchildren for "Ma and Pa"(Tilda and Henry A.). Their names were Warren Ostedt by Joseph, Rohen Ostedt by Henry Jr. and Eugene and Hank Ostedt by George. I think the name "Hank" was nickname for another "Henry" in the family. Myrtle Ostedt (Henry A's daughter) never married. Myrtle was a wonderful and much loved aunt, grand-aunt, and great-aunt and even great, great aunt.

Henry A. Ostedt with his three grandchildren at Phalen Park (east side) or it could have been at the Como Park Zoo in St. Paul. Eugene Ostedt, the 4th and youngest grandchild was not yet born or too young for these photos.
